Assembly Instructions

www.babyjogger.com

Box Includes:

1 Bassinet Fabric
1 Foot Bar
1 Foot Cover

Other Items Needed:

(From existing stroller seat)

1 Seat Frame
1 Canopy

1 From existing City Select Seat: Remove seat from seat frame by unsnapping all fabric and unfastening Velcro strap around the footwell.

2 Remove footwell frame from upper seat frame by pressing buttons on both sides of footwell and gently pulling until the pieces separate.

3 Insert Foot Bar from the Bassinet Kit into the seat frame until it clicks into place.

4 Place bassinet within seat frame so the top of the seat frame is aligned with the top of the Bassinet.

5 Attach upper U-shaped bassinet support rod around the top section of the seat frame on both sides.

Note: The top of the seat frame and top of the Bassinet are marked "TOP" for your convenience.

7 Attach lower U-shaped Bassinet support rod around the lower section of the seat frame on both sides.

8 Fasten all snaps around lower portion of the Bassinet to the lower portion of seat frame.
To Attach Canopy: Use your existing seat's canopy for the Bassinet canopy

9 Unzip mesh canopy fabric and set aside. Snap canopy brackets to both sides of seat frame.

10 Fasten canopy Velcro to Velcro on Bassinet.

NOTE: The mesh canopy fabric can be attached to the front of the canopy and used as a bug canopy for your bassinet.

To Attach Foot Cover:

11 Fit Foot Cover around lower portion of Bassinet and fasten to Velcro below mounting bracket.

12 Lift canopy Velcro to reveal the snap location for the Foot Cover. Snap Foot Cover to this snap and refasten canopy Velcro.

13 Align Bassinet bracket adaptors with mounting brackets on your stroller. Press firmly until bassinet clicks into place.

NOTE: The canopy on your bassinet is multi-directional and may be adjusted depending on the direction of the sun.
