INSTRUCTIONS

Where to Get Forms - The following forms are available in any Motor Vehicles office and at www.dmv.ny.gov: MV-44 (*Application for Driver License or Non-Driver ID Card*), the ID-44 (*Proofs of Identity*), and the MV-44.5 (*Federal Requirements for Commercial Driver License Applicants*).

Vision Test Requirement - New York State law requires that you pass a vision test when you first apply for a driver license and when you need to renew a license. You can take a vision test in any Motor Vehicles office or you can have your vision tested by one of the following providers: a licensed physician, physician assistant, registered nurse, nurse practitioner, ophthalmologist, optometrist, optician, pharmacists who are enrolled in DMV's Vision Registry, staff supervised by any of these providers, and the staff of organizations that are authorized by the New York State Department of Motor Vehicles to give the vision test. If you use one of those providers, the provider will either send your vision test results to DMV electronically or give you a completed vision test report form (MV-619) to submit to DMV.

Minimum Age for Application - You must be at least age 16 to apply for a driver license. If you are age 16 or 17, parental consent is required. Parental consent is not required if you are age 17 and have a Driver Education Certificate of Completion (form MV-285). You can apply for a non-driver identification card if you are under age 16 and have parental consent.

Metropolitan Commuter Transportation District (MCTD) Fees - When you first apply for a driver license or when you need to renew a license, the MCTD fee applies when you reside in one of the following counties: Bronx, Kings, New York, Queens, Richmond, Dutchess, Orange, Putnam, Rockland, Westchester, Nassau, or Suffolk.

Payment of Fees - You can pay with a check or money order made payable to "Commissioner of Motor Vehicles". All Motor Vehicles offices accept cash and major credit cards.

Requirement to Show Social Security Card - You must show your Social Security Card: when you first apply for a NYS permit, driver license or ID card; when you renew your ID card; when your permit, license or ID card has been expired more than two years; when DMV has no record of your social security number. If you are not eligible to have a Social Security Card, you must submit a letter from the Social Security Administration (SSA) that was issued within 30 days of your application to DMV; the letter must state that you are not eligible to have a card. You must also submit the Department of Homeland Security documentation that was used by the SSA to determine that you are not eligible.

Veteran Status - If you are a veteran of the U.S. Armed Forces who was honorably discharged, you may qualify to have "VETERAN" printed on the front of your current and future photo documents at no charge (all regular transaction fees will apply). Complete form MV-44 or your photo document renewal invitation, mark the veteran status box and bring the form to a DMV office with proof of honorable discharge (DD-214, DD-215, WD AGO 53, WD AGO 55, WD AGO 53-55, NAVPERS 553, NAVMC 78PD, and the NAVCG 553, or "Enlisted Separation Paper"). If your application is approved, a new photo document with "VETERAN" printed on the front will be mailed to you.

Lifetime Adventure Credentials - If you have a Boater Safety Certificate and/or one or more lifetime licenses issued by the Department of Environmental Conservation (DEC), you can apply to have the corresponding icon(s) printed on your photo document. These Lifetime licenses include: Sportsman (referred to as "Lifetime" after 2/1/14), Small/Big Game (referred to as "Hunting" after 2/1/14), Bow Hunting, Trapping, Muzzle Loading, Fishing. When completing form MV-44, write the type of lifetime credential(s) you have in the "Other Change" box. Bring the completed form and your original lifetime license(s) and/or Boater Safety Certificate to a DMV office. All regular transaction fees apply. If your application is approved, a new document with the icon(s) printed on the front will be mailed to you.

How to Register to Vote or Change Your Address with the Board of Elections - You can register to vote or change your address with the Board of Elections when you complete the Voter Registration Application that is part of the driver license or non-driver ID card application (form MV-44) and the renewal notice (form MV-2). The DMV will send your information to the Board of Elections.

How to Enroll in the NYS Department Of Health's *Donate Life*SM Registry - If you are age 18 or older, you can enroll in the *DONATE LIFE*SM REGISTRY through the NYS Department of Health (DOH) or through DMV.

You can enroll through DOH by telephone at (866) 693-6667 or at www.health.ny.gov. If you want the donor designation on your DMV photo document, you must visit a DMV office and ask for a new document with the donor designation. Similarly, if you have a DMV photo document with the donor designation on it and you want the designation removed, you must visit a DMV office and ask for a new document without the donor designation. If you ask for a new document with or without the donor designation as part of another license, permit or non-driver ID transaction, there is no additional fee to have the designation added or removed. If you ask for a new document with or without the donor designation as a separate transaction, the fee is \$17.50.

You can enroll through DMV with form MV-44; read the Organ and Tissue Donation section then sign and date the Donor Consent Signature line. You can also enroll when you renew your license or ID card; to enroll, sign the Donor Consent line on your renewal form (MV-2). Your signature on the Donor Consent line establishes legal consent to donate. Remember to tell your family that you have legally consented to be a donor. When you enroll through DMV, "ORGAN DONOR" will be printed on the front of your DMV photo document.

Note: To remove your name from the DOH *DONATE LIFE*SM REGISTRY you must contact DOH at (866) 693-6667 or online at www.health.ny.gov. Your name is not removed from the Registry as part of the process to remove the donor designation from your DMV photo document.

Non-CDL Class C License - If you apply for an original non-CDLC license you will be issued a Class D license. However, if you apply for a Farm (F or G) or Tow Truck endorsement (W) you will be issued a non-CDLC license until DMV system changes are completed.
